

## The Organization of This Plan

There are 929 chapters from the Old Testament and 260 chapters from the New Testament, so please expect to read more from the Old Testament than the New. The first month is devoted to Genesis and Exodus. The last month is largely devoted to the prophetic books of Daniel and Revelation. You will read from the Psalms every tenth day. The New Testament starts in the second month, and generally there will be one NT chapter per day.
